Hang on, Ky! It'll pass. Wasn't aiming for us!
?
Then WHO was he aiming for, Toma?
FWOOM
He's getting the Book out of the way!

My Liege!

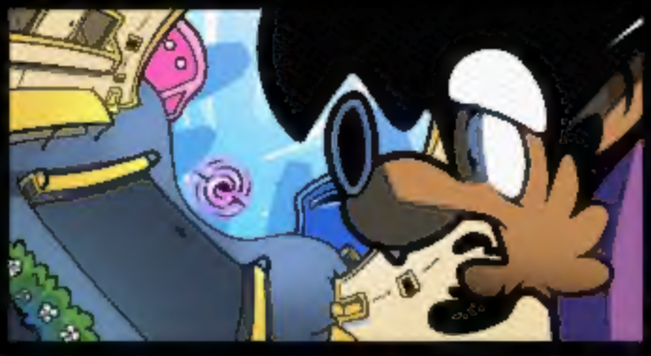
Worry about yourself!

Ky!

Wow! A pie can do all that? We gotta get you a gimmick like that!

Why didn't he use that on me? It nabbed every single page of the Book!

Every. Single. One!!!



Alright. We got this, Blot!

Got what?

BOOM!
Incoming! Hey, what's the plan for an attack we don't~
AHHH!
FWSSSSSH
BOO
Not giving us much time for a plan, Blot!

First we make some distance, then we figure out where he is! After, I punch him, just like I punched Faux!

I admire your confidence in such a simple plan!

It worked... LAST TIIIIIME~
